

2021 Winter Plus Credit Recovery

The Division of Instruction in partnership with Adult and Career Education (DACE) is providing additional support to high school students who are off track for graduation. **Winter Plus** is a concentrated effort that will provide an accelerated credit recovery option through individualized instruction. This will take place during winter break and 11 Saturdays to provide time for student success.

Classes for Winter Plus will be delivered online and supported by administration from following high schools:
